It's going to be a busy 2018 for Pemberton Group

Thanks to our purchasers, in 2017 Pemberton was ranked the number one builder in high-rise sales in the Greater Toronto Area (GTA). We are proud to announce that, to date, we have now sold over 15,000 condominium suites and townhomes in many of the GTA's most desirable locations!

On top of the phenomenal sales achieved last year, we have six developments under construction across the GTA, including Time and Space which is breaking ground this spring.

You'll find our newest condo communities in Richmond Hill and Stouffville, with more coming soon to Mississauga and downtown Toronto.
